ADMINISTRATION . . .

Education is not a preparation for life --- it is life itself. The twelve years that you have spent in the Randolph Public Schools was an educational as well as a life experience. It is not a beginning nor an end, but rather part of a continuum. Some will choose to pursue a formal education; some will choose to join the work-place, while others will join the armed services of our country. No matter which road you choose, I want to wish for you three things: (1) Good Health, (2) Lots of Happiness and (3) Peace in Your lifetime.

Congratulations to one and all!

Philip M. Saba
Principal

A Yearbook is only a shadow. In its pages are published a scant likeness of the people who truly live in our memories. We see but the outlines of the daily routine of classes and friends that filled our lives. If the few impresssions that can be reproduced in this book serve to create a small part of the memories held by each of us, our yearbook has succeeded in its purpose.
